THE ROYAL COLLEGE OF MUSIC.

A Syllabus of the College is forwarded herewith, which contains full information as to the scheme of study, fees, &c., also a slip giving the dates of commencement of the Terms and Half-terms, and a form of Application for Admission to be filled up and forwarded to the Registrar together with the Entrance Examination fee (£2 2*s.*), at any time (if possible not less than one week) before the commencement of the Term or Half-term.

There is no limit of age for paying Students except in the Junior Department.

The Entrance Examination is not a "qualifying" one, but is simply for the purpose of ascertaining how much the Student already knows.

The choice of Masters rests absolutely with the Director, and is governed by (*a*) the vacancies existing in the various classes, (*b*) the degree of proficiency or promise shown by the Student at the Entrance Examination. Applicants for admission are, however, at liberty to mention any preference they may have in the matter, and their expressed wishes will receive consideration.

For the convenience of enquirers some addresses are kept at the College of persons who take in College pupils as boarders, but the College authorities undertake no responsibility in the matter, and the pupils or their friends must make their own enquiries and arrangements as to board and lodging.

FRANK POWNALL,

Registrar.

N.B.—Special attention is called to the specimen Rudiments Paper given in the Syllabus and to the rule thatpupils are not allowed to take a "second study" until they have passed the lower grade in "Rudiments." Intending applicants for admission are recommended to procure and study Davenport's "Elements of Music" (Longmans, Green & Co., 39, Paternoster Row, London), price 1/-.

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His Majesty the King (then H.R.H. the Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His Majesty the King (then H.R.H. the Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000, on a site granted by the Royal Commissioners for

the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His Majesty the King (then H.R.H. The Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows :— The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10 or contributors at one time of £50 or upwards.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of :—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—
Midsummer Term, beginning about the 1st of May.
Christmas Term, beginning about the 27th of September.
Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.)

Students are not admitted for a shorter period than one year, viz. three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects. Admission can take place at the beginning of a term, or at a half term. Students entering at a half-term must remain three terms and a half.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars who have been at the College for that period, and whose Scholarships have expired, may, with the approval of the Director, continue at the College for the special cultivation of their

Principal Study at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students are required to give one month's notice before leaving.

*SCHOLARS.

Scholarships may be created, from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) FREE OPEN SCHOLARSHIPS.

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a Scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

The College does not provide for the control of any Scholar during the vacations.

Candidates for Scholarships are eligible between the following ages, reckoned at the date of their Preliminary Examination :—

COMPOSITION, Males and Females between 13 and 21.
PIANOFORTE, Males between 13 and 18, Females between 13 and 19.
ORGAN, Males between 13 and 19, Females between 13 and 20.
HARP, Males between 13 and 18, Females between 13 and 19.

WIND INSTRUMENTS, Males between 17 and 27.
SINGING, Males between 18 and 24, Females between 17 and 22.

(1.) FREE OPEN SCHOLARSHIPS.

There are fifty-five Open Scholarships, which provide free musical education ; and in some special cases grants towards maintenance are added.

These Scholarships are open to all classes of His Majesty's subjects within the stated ages, and are obtainable by competitive examination only.

When any of these Scholarships are declared to be open for competition due public notice thereof is given by advertisement and otherwise, and a Preliminary Examination is held locally, with the view of testing the candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Competition at the College.

Vacancies in the Open Scholarships are announced about November in each year, the Preliminary Examination and the Final Competition taking place respectively in the following January and February.

Should there be no election to a Scholarship in any one or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Competition, which is held at the College.

The Free Open Scholarships include the following:

The Courtenay Scholarship,
founded by the late Miss Courtenay, in memory of her brother, Frank Courtenay, Esq.;

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

These Scholarships are founded by the gift of such a sum of money as shall when invested produce an annual income sufficient to provide either musical education or musical education and a sum not exceeding fifty guineas per annum towards maintenance during the College terms. They may bear such name as the donor desires, and be confined to natives of a locality, or be otherwise restricted at the wish of the donor, subject to the approval of the Council.

These Scholarships are as a rule tenable for a period of three years. In any case in which an extension of tenure is granted to an existing Scholar, persons who would have been within the prescribed age limits if the Scholarship had been determined at the expiration of the three years tenure will be admitted to compete when the examination is actually held.

A Preliminary Examination is held in the locality, but the Final Competition takes place at the College. All Candidates attending at the College for this purpose must pay an examination fee of One Guinea. In the case of Colonial Scholarships the Examination held in the locality is Final.

THE ROYAL COLLEGE OF MUSIC PATRON'S FUND.

THE PATRON'S FUND (so named with the approval and sanction of HIS MAJESTY THE KING, the Patron of the Royal College of Music) was founded in 1903 by Mr. S. Ernest Palmer, who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by an additional £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose, of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the fund, primarily applicable for the benefit of past and present pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

GENERAL REGULATIONS.

Before the admission of a Pupil to the Junior Department his or her Parent or Guardian will be required to give such references as shall satisfy the Director; and will also be required to fill up and sign a statement as to the age of the Pupil.

Pupils must attend punctually at the hour appointed for their respective classes, and must on no account absent themselves from any lesson or examination without the permission of the Director. If absent for more than three consecutive lessons on account of sickness, a medical certificate must be supplied.

Pupils, in their Principal Study, must remain in the teaching room for one hour, that is for 30 minutes in addition to their own individual lesson.

The Director is empowered by the Council to request any Pupils to withdraw who prove unfit for the work of the College, or fail to adapt themselves to its discipline.

Pupils or past Pupils of the College are not allowed to add the initials of the College to their names, until they have gained the certificate for Associateship (A.R.C.M.).

THE ROYAL COLLEGE OF MUSIC.

A Syllabus of the College is forwarded herewith, which contains full information as to the scheme of study, fees, &c., also a slip giving the dates of commencement of the Terms and Half-terms, and a form of Application for Admission to be filled up and forwarded to the Registrar together with the Entrance Examination fee (£2 2*s.*), at any time (if possible not less than one week) before the commencement of the Term or Half-term.

There is no limit of age for paying Students except in the Junior Department.

The Entrance Examination is not a "qualifying" one, but is simply for the purpose of ascertaining how much the Student already knows.

The choice of Masters rests absolutely with the Director, and is governed by (*a*) the vacancies existing in the various classes, (*b*) the degree of proficiency or promise shown by the Student at the Entrance Examination. Applicants for admission are, however, at liberty to mention any preference they may have in the matter, and their expressed wishes will receive consideration.

For the convenience of enquirers some addresses are kept at the College of persons who take in College pupils as boarders, but the College authorities undertake no responsibility in the matter, and the pupils or their friends must make their own enquiries and arrangements as to board and lodging.

FRANK POWNALL,

Registrar.

N.B.—Special attention is called to the specimen Rudiments Paper given in the Syllabus and to the rule thatpupils are not allowed to take a "second study" until they have passed the lower grade in "Rudiments." Intending applicants for admission are recommended to procure and study Davenport's "Elements of Music" (Longmans, Green & Co., 39, Paternoster Row, London), price 1/-.

The Royal College of Music was founded at the instance and through the exertions of His Majesty the King (then H.R.H. the Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His Majesty the King (then H.R.H. the Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000, on a site granted by the Royal Commissioners for

the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His Majesty the King (then H.R.H. The Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows :— The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10 or contributors at one time of £50 or upwards.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of:—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—

Midsummer Term, beginning about the 1st of May.

Christmas Term, beginning about the 27th of September.

Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.)

Students are not admitted for a shorter period than one year, viz. three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects. Admission can take place at the beginning of a term, or at a half term. Students entering at a half-term must remain three terms and a half.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars who have been at the College for that period, and whose Scholarships have expired, may, with the approval of the Director, continue at the College for the special cultivation of their

Principal Study at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students are required to give one month's notice before leaving.

*SCHOLARS.

Scholarships may be created, from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) FREE OPEN SCHOLARSHIPS.

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a Scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship ; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

The College does not provide for the control of any Scholar during the vacations.

Candidates for Scholarships are eligible between the following ages, reckoned at the date of their Preliminary Examination :—

COMPOSITION, Males and Females between 13 and 21.
PIANOFORTE, Males between 13 and 18, Females between 13 and 19.
ORGAN, Males between 13 and 19, Females between 13 and 20.
HARP, Males between 13 and 18, Females between 13 and 19.
VIOLIN and VIOLA, Males and Females between 13 and 18.
VIOLONCELLO, Males and Females between 13 and 20.
DOUBLE BASS, Males between 13 and 24.
WIND INSTRUMENTS, Males between 17 and 27.
SINGING, Males between 18 and 24, Females between 17 and 22.

(1.) FREE OPEN SCHOLARSHIPS.

There are fifty-five Open Scholarships, which provide free musical education ; and in some special cases grants towards maintenance are added.

These Scholarships are open to all classes of His Majesty's subjects within the stated ages, and are obtainable by competitive examination only.

When any of these Scholarships are declared to be open for competition due public notice thereof is given by advertisement and otherwise, and a Preliminary Examination is held locally, with the view of testing the candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Competition at the College.

Vacancies in the Open Scholarships are announced about November in each year, the Preliminary Examination and the Final Competition taking place respectively in the following January and February.

Should there be no election to a Scholarship in any one or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Competition, which is held at the College.

The Free Open Scholarships include the following:

The Courtenay Scholarship,
founded by the late Miss Courtenay, in memory of her brother, Frank Courtenay, Esq.;

The Wilson Scholarship,
founded by the late Sir Erasmus Wilson, F.R.S., F.R.C.S.;

The Morley Scholarship,
founded by the late Samuel Morley, Esq., M.P., Howard Morley, Esq., and Charles Morley, Esq.;

The Elizabeth Pringle Memorial Scholarship,
founded by The Dowager Lady Harvey, of South Hampstead, in memory of her mother, Lady Elizabeth Pringle;

each of which provides a sum not exceeding fifty guineas per annum towards maintenance during the College terms;

The Lord Charles Bruce Scholarship,
founded by the late Lady Charles Bruce in memory of her husband the Right Hon. Lord Charles Bruce,

which provides a sum not exceeding forty pounds per annum towards maintenance;

The Dove Scholarship,
founded by the late Edwin Samuel Dove, Esq., of Kilsby, Northamptonshire, for the study of the Violoncello;

The George Grove Memorial Scholarship,
founded by the Council in memory of the late Sir George Grove (first Director of the College) for Composition;

The Laura Clark Scholarship,
founded by the late Mrs. Laura S. Clark; and

The Elliot Galer Scholarship,
founded by the late Elliot J. N. Galer, Esq., of Ansty Frith, near Leicester, for Male Singers.

each of which provides free musical education only at the College.

Vacancies occurring in any one of the above named Scholarships, are, on the recommendation of the Director and Board of Professors, filled by the Council from the holders of Open Scholarships.

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

These Scholarships are founded by the gift of such a sum of money as shall when invested produce an annual income sufficient to provide either musical education or musical education and a sum not exceeding fifty guineas per annum towards maintenance during the College terms. They are obtainable by competition only, of which due notice is given as vacancies arise. They may bear such name as the donor desires, and be confined to natives of a locality, or be otherwise restricted at the wish of the donor, subject to the approval of the Council.

These Scholarships are as a rule tenable for a period of three years. In any case in which an extension of tenure is granted to an existing Scholar, persons who would have been within the prescribed age limits if the Scholarship had been determined at the expiration of the three years tenure will be admitted to compete when the examination is actually held.

THE ROYAL COLLEGE OF MUSIC PATRON'S FUND.

The Patron's Fund (so named with the approval and sanction of His Majesty the King, the Patron of the Royal College of Music) was founded in 1903 by Mr. S. 1. The selection and performance at concerts given for the purpose, of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the fund, primarily applicable for the benefit of past and present pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

THE ROYAL COLLEGE OF MUSIC.

A Syllabus of the College is forwarded herewith, which contains full information as to the scheme of study, fees, &c., also a slip giving the dates of commencement of the Terms and Half-terms, and a form of Application for Admission to be filled up and forwarded to the Registrar together with the Entrance Examination fee (£2 2s.), at any time (if possible not less than one week) before the commencement of the Term or Half-term.

Applicants for admission are, however, at liberty to mention any preference they may have in the matter, and their expressed wishes will receive consideration.

For the convenience of enquirers some addresses are kept at the College of persons who take in College pupils as boarders, but the College authorities undertake no responsibility in the matter, and the pupils or their friends must make their own enquiries and arrangements as to board and lodging.

FRANK POWNALL, *Registrar.*

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His Majesty the King (then H.R.H. the Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His Majesty the King (then H.R.H. the Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000, on a site granted by the Royal Commissioners for

the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His Majesty the King (then H.R.H. The Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows :— The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10 or contributors at one time of £50 or upwards.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of:—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—

Midsummer Term, beginning about the 5th of May.

Christmas Term, beginning about the 27th of September.

Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.)

Students are not admitted for a shorter period than one year, viz. three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects. Admission can take place at the beginning of a term, or at a half term. Students entering at a half-term must remain three terms and a half.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars who have been at the College for that period, and whose Scholarships have expired, may, with the approval of the Director, continue at the College for the special cultivation of their

Principal Study at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students are required to give one month's notice before leaving.

*SCHOLARS.

Scholarships may be created, from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) FREE OPEN SCHOLARSHIPS.

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a Scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship ; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

The College does not provide for the control of any Scholar during the vacations.

Candidates for Scholarships are eligible between the following ages, reckoned at the date of their Preliminary Examination :—

COMPOSITION, Males and Females between 13 and 21.
PIANOFORTE, Males between 13 and 18, Females between 13 and 19.
ORGAN, Males between 13 and 19, Females between 13 and 20,
HARP, Males between 13 and 18, Females between 13 and 19

VIOLONCELLO, Males and Females between 13 and 20.
DOUBLE BASS, Males between 13 and 24.
WIND INSTRUMENTS, Males between 17 and 27.
SINGING, Males between 18 and 24, Females between 17 and 22.

(1.) FREE OPEN SCHOLARSHIPS.

There are fifty-five Open Scholarships, which provide free musical education.

These Scholarships are open to all classes of His Majesty's subjects within the stated ages, and are obtainable by competitive examination only.

When any of these Scholarships are declared to be open for competition due public notice thereof is given by advertisement and otherwise, and a Preliminary Examination is held locally, with the view of testing the candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Competition which is held at the College.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Competition.

Vacancies in the Open Scholarships are announced about November in each year, the Preliminary Examination and the Final Competition taking place respectively in the following January and February. The new Scholars commence their studies in the Midsummer Term following their election.

Should there be no election to a Scholarship in any one or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant. Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The Free Open Scholarships include the following:

The Courtenay Scholarship,
founded by the late Miss Courtenay, in memory of her brother, Frank Courtenay, Esq.;

The Wilson Scholarship,
founded by the late Sir Erasmus Wilson, F.R.S., F.R.C.S.;

each of which provides free musical education only at the College.

No special competition is held with respect to the above nine Scholarships bearing particular names. Vacancies occurring among them are, on the recommendation of the Director and Board of Professors, filled up by the Council from the holders of ordinary Open Scholarships who have shown distinction.

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

These Scholarships are founded by the gift of such a sum of money as shall when invested produce an annual income sufficient to provide either musical education or musical education and a sum not exceeding fifty guineas per annum towards maintenance during the College terms. They are obtainable by competition only, of which due notice is given as vacancies arise. They may bear such name as the donor desires, and be confined to natives of a locality, or be otherwise restricted at the wish of the donor, subject to the approval of the Council.

These Scholarships are as a rule tenable for a period of three years. In any case in which an extension of tenure is granted to an existing Scholar, persons who would have been within the prescribed age limits if the Scholarship had been determined at the expiration of the three years tenure

will be admitted to compete when the examination is actually held.

A Preliminary Examination is held in the locality, but the Final Competition takes place at the College. All Candidates attending at the College for this purpose must pay an examination fee of One Guinea. In the case of Colonial Scholarships the Examination held in the locality is Final.

The Museum is open to the public at certain hours during term time.

GENERAL REGULATIONS.

Pupils, when they enter the College, must possess the educational and physical qualifications necessary for the class of study which they are intended to pursue.

All Pupils, whether Scholars, Exhibitioners, or Students, must attend punctually at the hour appointed for their respective classes, and must on no account absent themselves from any lesson or examination without the permission of the Director. Any grave misconduct on the part of a Pupil will be reported to the Executive Committee, and will subject the Pupil to dismissal, or will be otherwise dealt with as the Committee may determine.

THE ROYAL COLLEGE OF MUSIC PATRON'S FUND.

THE PATRON'S FUND (so named with the approval and sanction of HIS MAJESTY THE KING, the Patron of the Royal College of Music) was founded in 1903 by Mr. S. Ernest Palmer, who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by an additional £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose, of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the fund, primarily applicable for the benefit of past and present pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His Majesty the King (then H.R.H. the Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His Majesty the King (then H.R.H. the Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000, on a site granted by the Royal Commissioners for

the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His Majesty the King (then H.R.H. The Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows :— The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10 or contributors at one time of £50 or upwards.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of:—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—

Midsummer Term, beginning about the 5th of May.

Christmas Term, beginning about the 27th of September.

Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.)

Students are not admitted for a shorter period than one year, viz. three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects. Admission can take place at the beginning of a term, or at a half term. Students entering at a half-term must remain three terms and a half.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars who have been at the College for that period, and whose Scholarships have expired, may, with the approval of the Director, continue at the College for the special cultivation of their

Principal Study at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students are required to give one month's notice before leaving.

*SCHOLARS.

Scholarships may be created, from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) FREE OPEN SCHOLARSHIPS.

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a Scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

The College does not provide for the control of any Scholar during the vacations.

Candidates for Scholarships are eligible between the following ages, reckoned at the date of their Preliminary Examination :—

COMPOSITION, Males and Females between 13 and 21.
PIANOFORTE, Males between 13 and 18, Females between 13 and 19.
ORGAN, Males between 13 and 19, Females between 13 and 20.
HARP, Males between 13 and 18, Females between 13 and 19
VIOLIN and VIOLA, Males and Females between 13 and 18.
VIOLONCELLO, Males and Females between 13 and 20.
DOUBLE BASS, Males between 13 and 24.
WIND INSTRUMENTS, Males between 17 and 24.
SINGING, Males between 18 and 24, Females between 17 and 22.

Candidates cannot enter for more than one subject.

(1.) FREE OPEN SCHOLARSHIPS.

There are fifty-six Open Scholarships, which provide free musical education.

These Scholarships are open to all classes of His Majesty's subjects within the stated ages, and are obtainable by competitive examination only.

When any of these Scholarships are declared to be open for competition due public notice thereof is given by advertisement and otherwise, and a Preliminary Examination is held locally, with the view of testing the candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Competition which is held at the College.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Competition.

Vacancies in the Open Scholarships are announced about November in each year, the Preliminary Examination and the Final Competition taking place respectively in the following January and February. The new Scholars commence their studies in the Midsummer Term following their election.

Should there be no election to a Scholarship in any one or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant. Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The Free Open Scholarships include the following:

The Courtenay Scholarship,
founded by the late Miss Courtenay, in memory of her brother, Frank Courtenay, Esq.;

The Wilson Scholarship,
founded by the late Sir Erasmus Wilson, F.R.S., F.R.C.S.;

No special competition is held with respect to the above nine Scholarships bearing particular names. Vacancies occurring among them are, on the recommendation of the Director and Board of Professors, filled up by the Council from the holders of ordinary Open Scholarships who have shown distinction.

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

These Scholarships are founded by the gift of such a sum of money as shall when invested produce an annual income sufficient to provide either musical education or musical education and a sum not exceeding fifty guineas per annum towards maintenance during the College terms. They are obtainable by competition only, of which due notice is given as vacancies arise. They may bear such name as the donor desires, and be confined to natives of a locality, or be otherwise restricted at the wish of the donor, subject to the approval of the Council.

These Scholarships are as a rule tenable for a period of three years. In any case in which an extension of tenure is granted to an existing Scholar, persons who would have been within the prescribed age limits if the Scholarship had been determined at the expiration of the three years tenure

will be admitted to compete when the examination is actually held.

A Preliminary Examination is held in the locality, but the Final Competition takes place at the College. All Candidates attending at the College for this purpose must pay an examination fee of One Guinea. In the case of Colonial Scholarships the Examination held in the locality is Final.

THE ROYAL COLLEGE OF MUSIC PATRON'S FUND.

THE PATRON'S FUND (so named with the approval and sanction of HIS MAJESTY THE KING, the Patron of the Royal College of Music) was founded in 1903 by Mr. S. Ernest Palmer, who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by an additional £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose, of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the fund, primarily applicable for the benefit of past and present pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His Majesty the King (then H.R.H. the Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His Majesty the King (then H.R.H. the Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000, on a site granted by the Royal Commissioners for

the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His Majesty the King (then H.R.H. The Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

*SCHOLARS.

Scholarships may be created, from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) FREE OPEN SCHOLARSHIPS.

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a Scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

The College does not provide for the control of any Scholar during the vacations.

Candidates for Scholarships are eligible between the following ages, reckoned at the date of their Preliminary Examination :—

COMPOSITION, Males and Females between 13 and 21.
PIANOFORTE, Males between 13 and 18, Females between 13 and 19.
ORGAN, Males between 13 and 19, Females between 13 and 20.

Candidates cannot enter for more than one subject.

(1.) FREE OPEN SCHOLARSHIPS.

There are fifty-six Open Scholarships, which provide free musical education.

These Scholarships are open to all classes of His Majesty's subjects within the stated ages, and are obtainable by competitive examination only.

When any of these Scholarships are declared to be open for competition due public notice thereof is given by advertisement and otherwise, and a Preliminary Examination is held locally, with the view of testing the candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Competition which is held at the College.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Competition.

Vacancies in the Open Scholarships are announced about November in each year, the Preliminary Examination and the Final Competition taking place respectively in the following January and February. The new Scholars commence their studies in the Midsummer Term following their election.

Should there be no election to a Scholarship in any one or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant. Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The Free Open Scholarships include the following:

The Courtenay Scholarship,

The Wilson Scholarship,

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

These Scholarships are founded by the gift of such a sum of money as shall when invested produce an annual income sufficient to provide either musical education or musical education and a sum not exceeding fifty guineas per annum towards maintenance during the College terms. They may bear such name as the donor desires, and be confined to natives of a locality, or be otherwise restricted at the wish of the donor, subject to the approval of the Council.

The age limits for these Scholarships are the same as those for the Free Open Scholarships.

These Scholarships are as a rule tenable for a period of three years. In any case in which an extension of tenure is granted to an existing Scholar, persons who would have been within the prescribed age limits if the Scholarship had been

determined at the expiration of the three years tenure will be admitted to compete when the examination is actually held.

A Preliminary Examination is held in the locality, but the Final Competition takes place at the College. All Candidates attending at the College for this purpose must pay an examination fee of One Guinea. In the case of Colonial Scholarships the Examination held in the locality is Final.

THE ROYAL COLLEGE OF MUSIC PATRON'S FUND.

THE PATRON'S FUND (so named with the approval and sanction of HIS MAJESTY THE KING, the Patron of the Royal College of Music) was founded in 1903 by Mr. S. Ernest Palmer, who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by an additional £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose, of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the fund, primarily applicable for the benefit of past and present pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

THE ROYAL COLLEGE OF MUSIC.

A Syllabus of the College is forwarded herewith, which contains full information as to the scheme of study, fees, &c., also a slip giving the dates of commencement of the Terms and Half-terms, and a form of Application for Admission to be filled up and forwarded to the Registrar together with the Entrance Examination fee (£2 2s.), at any time (if possible not less than one week) before the commencement of the Term or Half-term.

There is no limit of age for paying Students except in the Junior Department.

The Entrance Examination is not a "qualifying" one, but is simply for the purpose of ascertaining how much the Student already knows.

The choice of Masters rests absolutely with the Director, and is governed by (*a*) the vacancies existing in the various classes, (*b*) the degree of proficiency or promise shown by the Student at the Entrance Examination. Applicants for admission are, however, at liberty to mention any preference they may have in the matter, and their expressed wishes will receive consideration.

For the convenience of enquirers some addresses are kept at the College of persons who take in College pupils as boarders, but the College authorities undertake no responsibility in the matter, and the pupils or their friends must make their own enquiries and arrangements as to board and lodging.

FRANK POWNALL, *Registrar.*

N.B.—Special attention is called to the specimen Rudiments Paper given in the Syllabus and to the rule that pupils are not allowed to take a "second study" until they have passed the lower grade in "Rudiments." Intending applicants for admission are recommended to procure and study Davenport's "Elements of Music" (Longmans, Green & Co., 39, Paternoster Row, London), price 1/-

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His Majesty the King (then H.R.H. the Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His Majesty the King (then H.R.H. the Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000, on a site granted by the Royal Commissioners for

the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His Majesty the King (then H.R.H. The Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows :— The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10 or contributors at one time of £50 or upwards.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of:—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—

Midsummer Term, beginning about the 5th of May.

Christmas Term, beginning about the 27th of September.

Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.)

Students are not admitted for a shorter period than one year, viz. three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects. Admission can take place at the beginning of a term, or at a half-term. Students entering at a half-term must remain three terms and a half.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars who have been at the College for that period, and whose Scholarships have expired, may, with the approval of the Director, continue at the College for the special cultivation of their

Principal Study at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students are required to give one month's notice before leaving.

*SCHOLARS.

Scholarships may be created, from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) FREE OPEN SCHOLARSHIPS.

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a Scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

The College does not provide for the control of any Scholar during the vacations.

Candidates for Scholarships are eligible between the following ages, reckoned at the date of their Preliminary Examination :—

COMPOSITION, Males and Females between 13 and 21.
PIANOFORTE, Males between 13 and 18, Females between 13 and 19.
ORGAN, Males between 13 and 19, Females between 13 and 20.
HARP, Males between 13 and 18, Females between 13 and 19
VIOLIN and VIOLA, Males and Females between 13 and 18.
VIOLONCELLO, Males and Females between 13 and 20.
DOUBLE BASS, Males between 13 and 24.
WIND INSTRUMENTS, Males between 17 and 24.
SINGING, Males between 18 and 24, Females between 17 and 22.

Candidates cannot enter for more than one subject.

(1.) FREE OPEN SCHOLARSHIPS.

There are fifty-six Open Scholarships, which provide free musical education.

These Scholarships are open to all classes of His Majesty's subjects within the stated ages, and are obtainable by competitive examination only.

When any of these Scholarships are declared to be open for competition due public notice thereof is given by advertisement and otherwise, and a Preliminary Examination is held locally, with the view of testing the candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Competition which is held at the College.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Competition.

Vacancies in the Open Scholarships are announced about November in each year, the Preliminary Examination and the Final Competition taking place respectively in the following January and February. The new Scholars commence their studies in the Midsummer Term following their election.

Should there be no election to a Scholarship in any one or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant. Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The Free Open Scholarships include the following:

The Courtenay Scholarship,
founded by the late Miss Courtenay, in memory of her brother, Frank Courtenay, Esq.;

The Wilson Scholarship,
founded by the late Sir Erasmus Wilson, F.R.S., F.R.C.S.;

each of which provides free musical education only at the College.

No special competition is held with respect to the above nine Scholarships bearing particular names. Vacancies occurring among them are, on the recommendation of the Director and Board of Professors, filled up by the Council from the holders of ordinary Open Scholarships who have shown distinction.

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

These Scholarships are founded by the gift of such a sum of money as shall when invested produce an annual income sufficient to provide either musical education or musical education and a sum not exceeding fifty guineas per annum towards maintenance during the College terms. They are obtainable by competition only, of which due notice is given as vacancies arise. They may bear such name as the donor desires, and be confined to natives of a locality, or be otherwise restricted at the wish of the donor, subject to the approval of the Council.

The age limits for these Scholarships are the same as those for the Free Open Scholarships.

These Scholarships are as a rule tenable for a period of three years. In any case in which an extension of tenure is granted to an existing Scholar, persons who would have been within the prescribed age limits if the Scholarship had been

determined at the expiration of the three years tenure will be admitted to compete when the examination is actually held.

A Preliminary Examination is held in the locality, but the Final Competition takes place at the College. All Candidates attending at the College for this purpose must pay an examination fee of One Guinea. In the case of Colonial Scholarships the Examination held in the locality is Final.

THE ROYAL COLLEGE OF MUSIC PATRON'S FUND.

THE PATRON'S FUND (so named with the approval and sanction of HIS MAJESTY THE KING, the Patron of the Royal College of Music) was founded in 1903 by Mr. S. Ernest Palmer, who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by an additional £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose, of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the fund, primarily applicable for the benefit of past and present pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His Majesty the King (then H.R.H. the Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His Majesty the King (then H.R.H. the Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000, on a site granted by the Royal Commissioners for

the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His Majesty the King (then H.R.H. The Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows :— The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10, or contributors at one time of £50 or upwards, or its equivalent.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of:—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—

Midsummer Term, beginning about the 5th of May.

Christmas Term, beginning about the 27th of September.

Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.)

*SCHOLARS.

Scholarships may be created, from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) FREE OPEN SCHOLARSHIPS.

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a Scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

The College does not provide for the control of any Scholar during the vacations.

Candidates for Scholarships are eligible between the following ages, reckoned at the date of their Preliminary Examination :—

COMPOSITION, Males and Females between 13 and 21.
PIANOFORTE, Males between 13 and 18, Females between 13 and 19.

Candidates cannot enter for more than one subject.

(1.) FREE OPEN SCHOLARSHIPS.

There are fifty-six Open Scholarships, which provide free musical education.

These Scholarships are open to all classes of His Majesty's subjects within the stated ages, and are obtainable by competitive examination only.

When any of these Scholarships are declared to be open for competition due public notice thereof is given by advertisement and otherwise, and a Preliminary Examination is held locally, with the view of testing the candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Competition which is held at the College.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Competition.

Vacancies in the Open Scholarships are announced about November in each year, the Preliminary Examination and the Final Competition taking place respectively in the following January and February. The new Scholars commence their studies in the Midsummer Term following their election.

Should there be no election to a Scholarship in any one or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant. Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The Free Open Scholarships include the following:

The Courtenay Scholarship,

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

These Scholarships are founded by the gift of such a sum of money as shall when invested produce an annual income sufficient to provide either musical education or musical education and a sum not exceeding fifty guineas per annum towards maintenance during the College terms. They may bear such name as the donor desires, and be confined to natives of a locality, or be otherwise restricted at the wish of the donor, subject to the approval of the Council.

The age limits for these Scholarships are the same as those for the Free Open Scholarships.

These Scholarships are as a rule tenable for a period of three years. In any case in which an extension of tenure is granted to an existing Scholar, persons who would have been within the prescribed age limits if the Scholarship had been

determined at the expiration of the three years tenure will be admitted to compete when the examination is actually held.

A Preliminary Examination is held in the locality, but the Final Competition takes place at the College. All Candidates attending at the College for this purpose must pay an examination fee of One Guinea. In the case of Colonial Scholarships the Examination held in the locality is Final.

THE PATRON'S FUND (so named with the approval and sanction of HIS MAJESTY THE KING, the Patron of the Royal College of Music) was founded in 1903 by Mr. S. Ernest Palmer, who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by an additional £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the fund, primarily applicable for the benefit of past and present pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His Majesty the King (then H.R.H. the Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His Majesty the King (then H.R.H. the Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000, on a site granted by the Royal Commissioners for

the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His Majesty the King (then H.R.H. The Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows :— The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10, or contributors at one time of £50 or upwards, or its equivalent.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of:—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—

Midsummer Term, beginning about the 5th of May.

Christmas Term, beginning about the 27th of September.

Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.)

Students are not admitted for a shorter period than one year, viz. three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects. Admission can take place at the beginning of a term, or at a half term.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars who have been at the College for that period, and whose Scholarships have expired, may, with the approval of the Director, continue at the College for the special cultivation of their

Principal Study at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students are required to give one month's notice before leaving.

*SCHOLARS.

Scholarships may be created from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) **Free Open Scholarships.**
(2.) **Free Close or Local Scholarships.**

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a Scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council

The College does not provide for the control of any Scholar during the vacations.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

(1.) FREE OPEN SCHOLARSHIPS.

There are fifty-seven Open Scholarships, which provide free musical education. These Scholarships are open to all classes of His Majesty's subjects, and are obtainable by competitive examination only.

Vacancies in these Scholarships are announced about November in each year, and public notice thereof is given by advertisement and otherwise. A Preliminary Examination is held in various local centres in the January following, with the view of testing the candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Examination which is held at the College in the following February, except that any candidate who has been named as "*Proxime*" at any previous competition will be allowed to compete in the same department at any subsequent Final Examination if still within the prescribed age limits, without attending the Preliminary Examination.

Candidates are eligible between the following ages, reckoned on the 1st of January of the year in which the Final Examination takes place:—

COMPOSITION, Males and Females between 13 and 21.
PIANOFORTE, Males between 13 & 18, Females between 13 & 19.
ORGAN, Males between 13 and 19, Females between 13 and 20.
HARP, Males between 13 and 18, Females between 13 and 19.
VIOLIN and VIOLA, Males and Females between 13 and 18.
VIOLONCELLO, Males and Females between 13 and 20.
DOUBLE BASS, Males between 13 and 24.
WIND INSTRUMENTS, Males between 17 and 24.
SINGING, Males between 18 & 24, Females between 17 & 22.

Candidates cannot enter for more than one subject.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

Should there be no election to a Scholarship in any one or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein,

the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant. Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The new Scholars commence their studies in the Midsummer Term following their election.

THE PATRON'S FUND (so named with the approval and sanction of HIS MAJESTY THE KING, the Patron of the Royal College of Music) was founded in 1903 by Mr. S. Ernest Palmer, who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by an additional £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the fund, primarily applicable for the benefit of past and present pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

The choice of Teachers rests absolutely with the Director, and is governed by (*a*) the vacancies existing in the various classes, (*b*) the degree of proficiency or promise shown by the Student at the Entrance Examination. Applicants for admission are, however, at liberty to mention any preference they may have in the matter, and their expressed wishes will receive consideration.

For the convenience of enquirers some addresses are kept at the College of persons who take in College pupils as boarders, but the College authorities under take no responsibility in the matter, and the pupils or their friends must make their own enquiries and arrangements as to board and lodging.

FRANK POWNALL, *Registrar.*

N.B.—Special attention is called to the specimen Rudiments Paper given in the Syllabus and to the rule that pupils are not allowed to take a "second study" until they have passed the lower grade in "Rudiments." Intending applicants for admission are recommended to procure and study Davenport's "Elements of Music" (Longmans, Green & Co., 39, Paternoster Row, London), price 1/-

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His Majesty the King (then H.R.H. the Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His Majesty the King (then H.R.H. the Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000, on a site granted by the Royal Commissioners for

the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His Majesty the King (then H.R.H. The Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows :— The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10, or contributors at one time of £50 or upwards, or its equivalent.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of :—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—

Midsummer Term, beginning about the 5th of May.

Christmas Term, beginning about the 27th of September.

Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.)

Students are not admitted for a shorter period than one year, viz. three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects. Admission can take place at the beginning of a term, or at a half term.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars who have been at the College for that period, and whose Scholarships have expired, may, with the approval of the Director, continue at the College for the special cultivation of their

Principal Study at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students are required to give one month's notice before leaving.

There are fifty-seven Open Scholarships, which provide free musical education. These Scholarships are open to all classes of His Majesty's subjects, and are obtainable by competitive examination only.

Vacancies in these Scholarships are announced about November in each year, and public notice thereof is given by advertisement and otherwise. A Preliminary Examination is held in various local centres in the January following, with the view of testing the candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Examination which is held at the College in the following February, except that any candidate who has been named as "*Proxime*" at any previous competition will be allowed to compete in the same department at any subsequent Final Examination if still within the prescribed age limits, without attending the Preliminary Examination.

Candidates are eligible between the following ages, reckoned on the 1st of January of the year in which the Final Examination takes place:—

Should there be no election to a Scholarship in any one or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein,

the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant. Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The new Scholars commence their studies in the Midsummer Term following their election.

THE PATRON'S FUND (so named with the approval and sanction of HIS MAJESTY THE KING, the Patron of the Royal College of Music) was founded in 1903 by Mr. S. Ernest Palmer, who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by an additional £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the fund, primarily applicable for the benefit of past and present pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

THE ROYAL COLLEGE OF MUSIC.

A Syllabus of the College is forwarded herewith, which contains full information as to the scheme of study, fees, &c., also a slip giving the dates of commencement of the Terms and Half-terms, and a Form of Application for Admission to be filled up and forwarded to the Registrar together with the Entrance Examination fee (£2 2s.), at any time (if possible not less than one week) before the commencement of the Term or Half-term.

There is no limit of age for paying Students except in the Junior Department.

The Entrance Examination is not a "qualifying" one, but is simply for the purpose of ascertaining how much the Student already knows.

The choice of Teachers rests absolutely with the Director, and is governed by (*a*) the vacancies existing in the various classes, (*b*) the degree of proficiency or promise shown by the Student at the Entrance Examination. Applicants for admission are, however, at liberty to mention any preference they may have in the matter, and their expressed wishes will receive consideration.

For the convenience of enquirers some addresses are kept at the College of persons who take in College pupils as boarders, but the College authorities undertake no responsibility in the matter, and the pupils or their friends must make their own enquiries and arrangements as to board and lodging.

FRANK POWNALL, *Registrar.*

N.B.—Special attention is called to the specimen Rudiments Paper given in the Syllabus and to the rule that pupils are not allowed to take a "second study" until they have passed the lower grade in "Rudiments." Intending applicants for admission are recommended to procure and study Davenport's "Elements of Music" (Longmans, Green & Co., 39, Paternoster Row, London), price 1/-

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His Majesty the King (then H.R.H. the Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His Majesty the King (then H.R.H. the Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000, on a site granted by the Royal Commissioners for

the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His Majesty the King (then H.R.H. The Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows :— The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10, or contributors at one time of £50 or upwards, or its equivalent.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of :—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—

Midsummer Term, beginning about the 5th of May.
Christmas Term, beginning about the 27th of September.
Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.) Students are not admitted for a shorter period than one year, viz., three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects. Admission can take place at the beginning of a term, or at a half term.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars who have been at the College for that period, and whose Scholarships have expired, may, with the approval of the Director, continue at the College for the special cultivation of their

Principal Study at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students are required to give one month's notice before leaving.

*SCHOLARS.

Scholarships may be created from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) **Free Open Scholarships.**
(2.) **Free Close or Local Scholarships.**

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship ; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title an may be determined by the Council. The College does not provide for the control of any Scholar during the vacations.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

(1.) FREE OPEN SCHOLARSHIPS.

There are fifty-seven Open Scholarships, which provide free musical education. These Scholarships are open to all classes of His Majesty's subjects, and are obtainable by competitive examination only.

Vacancies in these Scholarships are announced about November in each year, and public notice thereof is given by advertisement and otherwise. A preliminary Examination is held in various local centres in the January following, with the view of testing the Candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Examination which is held at the College in the following February, except that any Candidate who has been named as "*Proxime*" at any previous competition will be allowed to compete in the same department at any subsequent Final Examination if still within the prescribed age limits, without attending the Preliminary Examination.

Candidates are eligible between the following ages, reckoned on the 1st of January of the year in which the Final Examination takes place:—

Composition, Males and Females between 13 and 21.

THE PATRON'S FUND (so named with the approval and sanction of HIS MAJESTY THE KING, the Patron of the Royal College of Music) was founded in 1903 by Mr. S. Ernest Palmer, who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by an additional £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the fund, primarily applicable for the benefit of past and present pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

THE ROYAL COLLEGE OF MUSIC.

A Syllabus of the College is forwarded herewith, which contains full information as to the scheme of study, fees, &c., also a slip giving the dates of commencement of the Terms and Half-terms, and a Form of Application for Admission to be filled up and forwarded to the Registrar together with the Entrance Examination fee (£2 2s.), at any time (if possible not less than one week) before the commencement of the Term or Half-term.

There is no limit of age for paying Students except in the Junior Department.

The Entrance Examination is not a "qualifying" one, but is simply for the purpose of ascertaining how much the Student already knows.

The choice of Teachers rests absolutely with the Director, and is governed by (*a*) the vacancies existing in the various classes, (*b*) the degree of proficiency or promise shown by the Student at the Entrance Examination. Applicants for admission are, however, at liberty to mention any preference they may have in the matter, and their expressed wishes will receive consideration.

For the convenience of enquirers some addresses are kept at the College of persons who take in College pupils as boarders, but the College authorities undertake no responsibility in the matter, and the pupils or their friends must make their own enquiries and arrangements as to board and lodging.

FRANK POWNALL, *Registrar.*

N.B.—Special attention is called to the specimen Rudiments Paper given in the Syllabus and to the rule that pupils are not allowed to take a "second study" until they have passed the lower grade in "Rudiments." Intending applicants for admission are recommended to procure and study Davenport's "Elements of Music" (Longmans, Green & Co., 39, Paternoster Row, London), price 1/-

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His late Majesty King Edward VII. (then Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His late Majesty King Edward VII. (then Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000,

on a site granted by the Royal Commissioners for the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His late Majesty King Edward VII. (then Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows :— The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10, or contributors at one time of £50 or upwards, or its equivalent.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of :—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—

Midsummer Term, beginning about the 5th of May.
Christmas Term, beginning about the 27th of September.
Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.) Students are not admitted for a shorter period than one year, viz., three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects. Admission can take place at the beginning of a term, or at a half term.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars who have been at the College for that period, and whose Scholarships have expired, may, with the approval of the Director, continue at the College for the special cultivation of their

Principal Study at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students are required to give one month's notice before leaving.

*SCHOLARS.

Scholarships may be created from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) **Free Open Scholarships.**
(2.) **Free Close or Local Scholarships.**

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship ; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title an may be determined by the Council. The College does not provide for the control of any Scholar during the vacations.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

(1.) FREE OPEN SCHOLARSHIPS.

There are fifty-seven Open Scholarships, which provide free musical education. These Scholarships are open to all classes of His Majesty's subjects, and are obtainable by competitive examination only.

Vacancies in these Scholarships are announced about November in each year, and public notice thereof is given by advertisement and otherwise. A preliminary Examination is held in various local centres in the January following, with the view of testing the Candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Examination which is held at the College in the following February, except that any Candidate who has been named as "*Proxime*" at any previous competition will be allowed to compete in the same department at any subsequent Final Examination if still within the prescribed age limits, without attending the Preliminary Examination.

Candidates are eligible between the following ages, reckoned on the 1st of January of the year in which the Final Examination takes place :—

COMPOSITION, Males and Females between 13 and 21.
PIANOFORTE, Males between 13 & 18, Females between 13 & 19.
ORGAN, Males between 13 and 19, Females between 13 and 20.
HARP, Males between 13 and 18, Females between 13 and 19.
VIOLIN and VIOLA, Males and Females between 13 and 18.
VIOLONCELLO, Males and Females between 13 and 20.
DOUBLE BASS, Males between 13 and 24.
WIND INSTRUMENTS, Males between 17 and 24.
SINGING, Males between 18 & 24, Females between 17 & 22.

Candidates cannot enter for more than one subject.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

Should there be no election to a Scholarship in any one

or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant. Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The new Scholars commence their studies in the Midsummer Term following their election.

The Free Open Scholarships include the following :—

The Courtenay Scholarship,
founded by the late Miss Courtenay, in memory of her brother, Frank Courtenay, Esq. ;

The Wilson Scholarship,
founded by the late Sir Erasmus Wilson, F.R.S., F.R.C.S.;

The Morley Scholarship,
founded by the late Samuel Morley, Esq., M.P., Howard Morley, Esq., and Charles Morley, Esq. ;

The Elizabeth Pringle Memorial Scholarship,
founded by The Dowager Lady Harvey, of South Hampstead, in memory of her mother, Lady Elizabeth Pringle ;

each of which provides a sum not exceeding fifty guineas per annum towards maintenance during the College terms ;

The Lord Charles Bruce Scholarship,
founded by the late Lady Charles Bruce in memory of her husband the Right Hon. Lord Charles Bruce,

which provides a sum not exceeding forty pounds per annum towards maintenance ;

The Dove Scholarship,
founded by the late Edwin Samuel Dove, Esq., of Kilsby, Northamptonshire, for the study of the Violoncello;

The George Grove Memorial Scholarship,
founded by the Council in memory of the late Sir George Grove (first Director of the College) for Composition;

The Laura Clark Scholarship,
founded by the late Mrs. Laura S. Clark; and

The Elliot Galer Scholarship,
founded by the late Elliot J. N. Galer, Esq., of Ansty Frith, near Leicester, for Male Singers,

each of which provides free musical education only at the College.

No special examination is held with respect to the above nine Scholarships bearing particular names. Vacancies occurring among them are, on the recommendation of the Director and Board of Professors, filled up by the Council from the holders of ordinary Open Scholarships who have shown distinction.

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

THE PATRON'S FUND (so named with the approval and sanction of HIS LATE MAJESTY KING EDWARD VII., then Patron of the Royal College of Music) was founded in 1903 by Mr. S. Ernest Palmer, who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by an additional £7,000), the income of which is devoted to the following purposes:—

THE PATRON'S FUND (so named with the approval and sanction of HIS LATE MAJESTY KING EDWARD VII., then Patron of the Royal College of Music), was founded in 1903 by Mr. S. Ernest Palmer, who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the fund, primarily applicable for the benefit of past and present pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

THE ROYAL COLLEGE OF MUSIC.

A Syllabus of the College is forwarded herewith, which contains full information as to the scheme of study, fees, &c., also a slip giving the dates of commencement of the Terms and Half-terms, and a Form of Application for Admission to be filled up and forwarded to the Registrar together with the Entrance Examination fee (£2 2s.), at any time (if possible not less than one week) before the commencement of the Term or Half-term.

There is no limit of age for paying Students except in the Junior Department.

The Entrance Examination is not a "qualifying" one, but is simply for the purpose of ascertaining how much the Student already knows.

The choice of Teachers rests absolutely with the Director, and is governed by (*a*) the vacancies existing in the various classes, (*b*) the degree of proficiency or promise shown by the Student at the Entrance Examination. Applicants for admission are, however, at liberty to mention any preference they may have in the matter, and their expressed wishes will receive consideration.

For the convenience of enquirers some addresses are kept at the College of persons who take College pupils as boarders, but the College authorities undertake no responsibility in the matter, and the pupils or their friends must make their own enquiries and arrangements.

FRANK POWNALL, *Registrar.*

N.B.—Special attention is called to the specimen Rudiments Paper given in the Syllabus and to the rule that pupils are not allowed to take a "second study" until they have passed the lower grade in "Rudiments." Intending applicants for admission are recommended to procure and study Davenport's "Elements of Music" (Longmans, Green & Co., Paternoster Row, London), price 1/-

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His late Majesty King Edward VII. (then Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His late Majesty King Edward VII. (then Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000,

on a site granted by the Royal Commissioners for the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His late Majesty King Edward VII. (then Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows :— The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10, or contributors at one time of £50 or upwards, or its equivalent.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of :—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—

Midsummer Term, beginning about the 5th of May.
Christmas Term, beginning about the 27th of September.
Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.) Students are not admitted for a shorter period than one year, viz., three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects. Admission can take place at the beginning of a term, or at a half term.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars who have been at the College for that period, and whose Scholarships have expired, may, with the approval of the Director, continue at the College for the special cultivation of their

Principal Study at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students are required to give one month's notice before leaving.

*SCHOLARS.

Scholarships may be created from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) **Free Open Scholarships.**
(2.) **Free Close or Local Scholarships.**

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship ; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council. The College does not provide for the control of any Scholar during the vacations.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

(1.) FREE OPEN SCHOLARSHIPS.

There are fifty-seven Open Scholarships, which provide free musical education. These Scholarships are open to all classes of His Majesty's subjects, and are obtainable by competitive examination only.

Vacancies in these Scholarships are announced about November in each year, and public notice thereof is given by advertisement and otherwise. A preliminary Examination is held in various local centres in the January following, with the view of testing the Candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Examination which is held at the College in the following February, except that any Candidate who has been named as "*Proxime*" at any previous competition will be allowed to compete in the same department at any subsequent Final Examination if still within the prescribed age limits, without attending the Preliminary Examination.

Candidates are eligible between the following ages, reckoned on the 1st of January of the year in which the Final Examination takes place :—

COMPOSITION, Males and Females between 13 and 21.
PIANOFORTE, Males between 13 & 18, Females between 13 & 19.
ORGAN, Males between 13 and 19, Females between 13 and 20.
HARP, Males between 13 and 18, Females between 13 and 19.
VIOLIN and VIOLA, Males and Females between 13 and 18.
VIOLONCELLO, Males and Females between 13 and 20.
DOUBLE BASS, Males between 13 and 24.
WIND INSTRUMENTS, Males between 17 and 24.
SINGING, Males between 18 & 24, Females between 17 & 22.

Candidates cannot enter for more than one subject.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

Should there be no election to a Scholarship in any one

or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant. Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The new Scholars commence their studies in the Midsummer Term following their election.

The Free Open Scholarships include the following:—

THE PATRON'S FUND (so named with the approval and sanction of HIS LATE MAJESTY KING EDWARD VII., then Patron of the Royal College of Music), was founded in 1903 by Mr. S. Ernest Palmer, who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the fund, primarily applicable for the benefit of past and present pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

Applicants for admission are, however, at liberty to mention any preference they may have in the matter, and their expressed wishes will receive consideration.

For the convenience of enquirers some addresses are kept at the College of persons who take College Pupils as boarders, but the College authorities undertake no responsibility in the matter, and the pupils or their friends must make their own enquiries and arrangements.

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His late Majesty King Edward VII. (then Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His late Majesty King Edward VII. (then Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000,

on a site granted by the Royal Commissioners for the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His late Majesty King Edward VII. (then Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows :— The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10, or contributors at one time of £50 or upwards, or its equivalent.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of :—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—

Midsummer Term, beginning about the 5th of May.
Christmas Term, beginning about the 27th of September.
Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.) Students are not admitted for a shorter period than one year, viz., three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects. Admission can take place at the beginning of a term, or at a half term.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director: and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars who have been at the College for that period, and whose Scholarships have expired, may, with the approval of the Director, continue at the College for the special cultivation of their

Principal Study at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students leaving on the completion of three terms are required to give one month's notice beforehand.

or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant. Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The new Scholars commence their studies in the Midsummer Term following their election.

The Free Open Scholarships include the following:—

The Courtenay Scholarship,

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

These Scholarships are founded by the gift of such a sum of money as shall when invested produce an annual income sufficient to provide either musical education, or musical education and a sum not exceeding fifty guineas per annum towards maintenance during the College terms. They are obtainable by competition only, of which due notice is given as vacancies arise. They may bear such name as the donor desires, and be confined to natives of a locality, or be otherwise restricted at the wish of the donor, subject to the approval of the Council.

The age limits of Candidates for these Scholarships are (except in any case specially mentioned under the heading of the particular Scholarship) the same as those for the Free Open Scholarships (page 15), and are reckoned as on the 1st of January of the year in which the Final Examination takes place if such Examination is held in the first six months of the year; and as on the 1st of July of such year if such Examination is held in the last six months thereof.

A Preliminary Examination is held in the locality, but the Final Examination takes place at the College. There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

In the case of Colonial Scholarships the Examination held in the locality is Final, and no fee is required from Candidates attending such Examination.

These Scholarships are as a rule tenable for a period of three years. The Museum is open to the public at certain hours during term time.

GENERAL REGULATIONS.

Pupils, when they enter the College, must possess the educational and physical qualifications necessary for the class of study which they are intended to pursue.

All Pupils, whether Scholars, Exhibitioners, or Students, must attend punctually at the hour appointed for their respective classes, and must on no account absent themselves from any lesson or examination without the permission of the Director. If absent for more than three consecutive days on account of sickness, a medical certificate must be supplied.

All Pupils, in their Principal and Second Studies, must remain in the teaching room for one hour, that is, for 40 minutes in addition to their own individual lesson.

A Report of the progress of each Pupil is drawn up at the end of each Term, signed by the several Teachers concerned, and by the Director, and is transmitted to the parents or guardians of the Pupil.

Any grave misconduct on the part of a Pupil will be reported to the Executive Committee, and will subject the Pupil to dismissal, or will be otherwise dealt with as the Committee may determine.

A Pupil will not be allowed to take part in any public performance, or publish any composition, or enter into any professional engagement, except by the written permission of the Director. A copy of every composition published with the sanction of the Director must be presented to the College Library.

THE PATRON'S FUND (so named with the approval and sanction of HIS LATE MAJESTY KING EDWARD VII., then Patron of the Royal College of Music), was founded in 1903 by Mr. S. Ernest Palmer, who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the fund, primarily applicable for the benefit of past and present pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

The choice of Teachers rests absolutely with the Director, and is governed by (*a*) the vacancies existing in the various classes, (*b*) the degree of proficiency or promise shown by the Student at the Entrance Examination. Applicants for admission are, however, at liberty to mention any preference they may have in the matter, and their expressed wishes will receive consideration.

For the convenience of enquirers some addresses are kept at the College of persons who take College pupils as boarders, but the College authorities undertake no responsibility in the matter, and the pupils or their friends must make their own enquiries and arrangements.

FRANK POWNALL, *Registrar.*

N.B.—Special attention is called to the specimen Rudiments Paper given in the Syllabus and to the rule that pupils are not allowed to take a "second study" until they have passed the lower grade in "Rudiments." Intending applicants for admission are recommended to procure and study Davenport's "Elements of Music" (Longmans, Green & Co., 39, Paternoster Row, London), price 1/-

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His late Majesty King Edward VII. (then Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His late Majesty King Edward VII. (then Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000,

on a site granted by the Royal Commissioners for the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His late Majesty King Edward VII. (then Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows:—The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10, or contributors at one time of £50 or upwards, or its equivalent.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of:—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—

Midsummer Term, beginning about the 5th of May.
Christmas Term, beginning about the 27th of September.
Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.) Students are not admitted for a shorter period than one year, viz., three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects. Admission can take place at the beginning of a term, or at a half term.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars who have been at the College for that period, and whose Scholarships have expired, may, with the approval of the Director, continue at the College for the special cultivation of their

Principal Study at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students leaving on the completion of three terms are required to give one month's notice beforehand.

*SCHOLARS.

Scholarships may be created from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) **Free Open Scholarships.**
(2.) **Free Close or Local Scholarships.**

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship ; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council. The College does not provide for the control of any Scholar during the vacations.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

(1.) FREE OPEN SCHOLARSHIPS.

There are fifty-seven Open Scholarships, which provide free musical education. These Scholarships are open to all classes of His Majesty's subjects, and are obtainable by competitive examination only.

Vacancies in these Scholarships are announced about November in each year, and public notice thereof is given by advertisement and otherwise. A preliminary Examination is held in various local centres in the January following, with the view of testing the Candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Examination which is held at the College in the following February, except that any Candidate who has been named as "*Proxime*" at any previous competition will be allowed to compete in the same department at any subsequent Final Examination if still within the prescribed age limits, without attending the Preliminary Examination.

Candidates are eligible between the following ages, reckoned on the 1st of January of the year in which the Final Examination takes place:—

COMPOSITION, Males and Females between 13 and 21.
PIANOFORTE, Males between 13 & 18, Females between 13 & 19.
ORGAN, Males between 13 and 19, Females between 13 and 20.
HARP, Males between 13 and 18, Females between 13 and 19.
VIOLIN and VIOLA, Males and Females between 13 and 18.
VIOLONCELLO, Males and Females between 13 and 20.
DOUBLE BASS, Males between 13 and 24.
WIND INSTRUMENTS, Males between 17 and 24.
SINGING, Males between 18 & 24, Females between 17 & 22.

Candidates cannot enter for more than one subject.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

Should there be no election to a Scholarship in any one

or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant. Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The new Scholars commence their studies in the Midsummer Term following their election.

The Free Open Scholarships include the following:—

The Courtenay Scholarship,
founded by the late Miss Courtenay, in memory of her brother, Frank Courtenay, Esq.;

No special examination is held with respect to the above nine Scholarships bearing particular names. Vacancies occurring among them are, on the recommendation of the Director and Board of Professors, filled up by the Council from the holders of ordinary Open Scholarships who have shown distinction.

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

These Scholarships are founded by the gift of such a sum of money as shall when invested produce an annual income sufficient to provide either musical education, or musical education and a sum not exceeding fifty guineas per annum towards maintenance during the College terms. They are obtainable by competition only, of which due notice is given as vacancies arise. They may bear such name as the donor desires, and be confined to natives of a locality, or be otherwise restricted at the wish of the donor, subject to the approval of the Council.

The age limits of Candidates for these Scholarships are (except in any case specially mentioned under the heading of the particular Scholarship) the same as those for the Free Open Scholarships (page 15), and are reckoned as on the 1st of January of the year in which the Final Examination takes place if such Examination is held in the first six months of the year; and as on the 1st of July of such year if such Examination is held in the last six months thereof.

A Preliminary Examination is held in the locality but the Final Examination takes place at the College. There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

In the case of Colonial Scholarships the Examination held in the locality is Final, and no fee is required from Candidates attending such Examination.

These Scholarships are as a rule tenable for a period of three years. In any case in which an extension of tenure is granted to an existing Scholar, persons who would have been within the prescribed age limits if the Scholarship had been determined at the expiration of the three years' tenure will be admitted to compete when the Examination is actually held.

THE PATRON'S FUND (so named with the approval and sanction of HIS LATE MAJESTY KING EDWARD VII., then Patron of the Royal College of Music), was founded in 1903 by Mr. S. Ernest Palmer, who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the benefit of the fund, though primarily for past and present pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

THE PATRON'S FUND (so named with the approval and sanction of HIS LATE MAJESTY KING EDWARD VII., then Patron of the Royal College of Music), was founded in 1903 by Mr. S. Ernest Palmer, who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the benefit of the fund, though primarily for past and present Pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

THE ROYAL COLLEGE OF MUSIC.

A Syllabus of the College is forwarded herewith, which contains full information as to the scheme of study, fees, &c., also a slip giving the dates of commencement of the Terms and Half-terms, and a Form of Application for Admission to be filled up and forwarded to the Registrar together with the Entrance Examination fee (£2 2s.), at any time (if possible not less than one week) before the commencement of the Term or Half-term.

There is no limit of age for paying Students except in the Junior Department.

The Entrance Examination is not a "qualifying" one, but is simply for the purpose of ascertaining how much the Student already knows.

The choice of Teachers rests absolutely with the Director, and is governed by (*a*) the vacancies existing in the various classes, (*b*) the degree of proficiency or promise shown by the Student at the Entrance Examination. Applicants for admission are, however, at liberty to mention any preference they may have in the matter, and their expressed wishes will receive consideration.

For the convenience of enquirers some addresses are kept at the College of persons who take College pupils as boarders, but the College authorities undertake no responsibility in the matter, and the pupils or their friends must make their own enquiries and arrangements.

FRANK POWNALL, *Registrar.*

N.B.—Special attention is called to the specimen Rudiments Paper given in the Syllabus and to the rule that pupils are not allowed to take a "second study" until they have passed the lower grade in "Rudiments." Intending applicants for admission are recommended to procure and study Davenport's "Elements of Music" (Longmans, Green & Co., 39, Paternoster Row, London), price 1/-

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His late Majesty King Edward VII. (then Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His late Majesty King Edward VII. (then Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000,

on a site granted by the Royal Commissioners for the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His late Majesty King Edward VII. (then Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows :— The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10, or contributors at one time of £50 or upwards, or its equivalent.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of :—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—

Midsummer Term, beginning about the 5th of May.
Christmas Term, beginning about the 27th of September.
Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.) Students are not admitted for a shorter period than one year, viz., three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects. Admission can take place at the beginning of a term, or at a half term.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars who have been at the College for that period, and whose Scholarships have expired, may, with the approval of the Director, continue at the College for the special cultivation of their

Principal Study at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students leaving on the completion of three terms are required to give one month's notice beforehand.

*SCHOLARS.

Scholarships may be created from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) **Free Open Scholarships.**
(2.) **Free Close or Local Scholarships.**

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship ; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council. The College does not provide for the control of any Scholar during the vacations.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

(1.) FREE OPEN SCHOLARSHIPS.

There are sixty Open Scholarships, which provide free musical education. These Scholarships are open to all classes of His Majesty's subjects, and are obtainable by competitive examination only.

Vacancies in these Scholarships are announced about November in each year, and public notice thereof is given by advertisement and otherwise. A preliminary Examination is held in various local centres in the January following, with the view of testing the Candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Examination which is held at the College in the following February, except that any Candidate who has been named as "*Proxime*" at any previous competition will be allowed to compete in the same department at any subsequent Final Examination if still within the prescribed age limits, without attending the Preliminary Examination.

Candidates are eligible between the following ages, reckoned on the 1st of January of the year in which the Final Examination takes place:—

COMPOSITION, Males and Females between 13 and 21.
PIANOFORTE, Males between 13 & 18, Females between 13 & 19.
ORGAN, Males between 13 and 19, Females between 13 and 20.
HARP, Males between 13 and 18, Females between 13 and 19.
VIOLIN and VIOLA, Males and Females between 13 and 18.
VIOLONCELLO, Males and Females between 13 and 20.
DOUBLE BASS, Males between 13 and 24.
WIND INSTRUMENTS, Males between 17 and 24.
SINGING, Males between 18 & 24, Females between 17 & 22.

Candidates cannot enter for more than one subject.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

Should there be no election to a Scholarship in any one

or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant. Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The new Scholars commence their studies in the Midsummer Term following their election.

The Free Open Scholarships include the following:—

The Courtenay Scholarship,
founded by the late Miss Courtenay, in memory of her brother, Frank Courtenay, Esq.;

The Wilson Scholarship,
founded by the late Sir Erasmus Wilson, F.R.S., F.R.C.S.;

The Morley Scholarship,
founded by the late Samuel Morley, Esq., M.P., Howard Morley, Esq., and Charles Morley, Esq.;

The Elizabeth Pringle Memorial Scholarship,
founded by The Dowager Lady Harvey, of South Hampstead, in memory of her mother, Lady Elizabeth Pringle;

each of which provides a sum not exceeding fifty guineas per annum towards maintenance during the College terms;

The Lord Charles Bruce Scholarship,
founded by the late Lady Charles Bruce in memory of her husband the Right Hon. Lord Charles Bruce,

which provides a sum not exceeding forty pounds per annum towards maintenance;

The Dove Scholarship,
founded by the late Edwin Samuel Dove, Esq., of Kilsby, Northamptonshire, for the study of the Violoncello;

The George Grove Memorial Scholarship,
founded by the Council in memory of the late Sir George Grove (first Director of the College) for Composition;

The Laura Clark Scholarship,
founded by the late Mrs. Laura S. Clark; and

The Elliot Galer Scholarship,
founded by the late Elliot J. N. Galer, Esq., of Ansty Frith, near Leicester, for Male Singers,

each of which provides free musical education only at the College.

No special examination is held with respect to the above nine Scholarships bearing particular names. Vacancies occurring among them are, on the recommendation of the Director and Board of Professors, filled up by the Council from the holders of ordinary Open Scholarships who have shown distinction.

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

These Scholarships are founded by the gift of such a sum of money as shall when invested produce an annual income sufficient to provide either musical education, or musical education and a sum not exceeding fifty guineas per annum towards maintenance during the College terms. They are obtainable by competition only, of which due notice is given as vacancies arise. They may bear such name as the donor desires, and be confined to natives of a locality, or be otherwise restricted at the wish of the donor, subject to the approval of the Council.

The age limits of Candidates for these Scholarships are (except in any case specially mentioned under the heading of the particular Scholarship) the same as those for the Free Open Scholarships (page 15), and are reckoned as on the 1st of January of the year in which the Final Examination takes place if such Examination is held in the first six months of the year; and as on the 1st of July of such year if such Examination is held in the last six months thereof.

A Preliminary Examination is held in the locality but the Final Examination takes place at the College. There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

In the case of Colonial Scholarships the Examination held in the locality is Final, and no fee is required from Candidates attending such Examination.

These Scholarships are as a rule tenable for a period of three years. In any case in which an extension of tenure is granted to an existing Scholar, persons who would have been within the prescribed age limits if the Scholarship had been determined at the expiration of the three years' tenure will be admitted to compete when the Examination is actually held.

The following eleven Close or Local Scholarships have been founded. These (with the exception of the Bristol Scholarship) provide a sum not exceeding fifty guineas per annum towards maintenance during the College Terms, as well as free musical education:—

The South Province of Victoria Scholarship,
by the late Hon. Sir William J Clarke, Bart., Melbourne, Victoria, for natives of Victoria.

(*In the case of this Scholarship the age limits for Pianoforte Candidates are:—For Males between* 13 *and* 19, *Females between* 13 *and* 20; *and for Violin and Viola Candidates, Males and Females between* 13 *and* 19.)

The South Australian Scholarship,
by the late Sir Thomas Elder, Adelaide, South Australia, for natives of South Australia.

The Montreal Scholarship,

THE PATRON'S FUND (so named with the approval and sanction of HIS LATE MAJESTY KING EDWARD VII., then Patron of the Royal College of Music), was founded in 1903 by Mr. S. Ernest Palmer, who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.

2. The assistance of musical performers, being British subjects, in procuring a hearing in public.

3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the benefit of the fund, though primarily for past and present Pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His late Majesty King Edward VII. (then Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His late Majesty King Edward VII. (then Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000,

on a site granted by the Royal Commissioners for the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His late Majesty King Edward VII. (then Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows :— The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10, or contributors at one time of £50 or upwards, or its equivalent.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of :—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—

Midsummer Term, beginning about the 5th of May.
Christmas Term, beginning about the 27th of September.
Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.) Students are not admitted for a shorter period than one year, viz., three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects. Admission can take place at the beginning of a term, or at a half term.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars and Exhibitioners who have been at the College for that period, and whose Scholarships and Exhibitions have expired, may, with the approval of the Director, continue at the College for the special cultivation of their Principal Study

at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students leaving on the completion of three terms are required to give one month's notice beforehand.

*SCHOLARS.

Scholarships may be created from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) **Free Open Scholarships.**
(2.) **Free Close or Local Scholarships.**

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship ; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council. The College does not provide for the control of any Scholar during the vacations.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

(1.) FREE OPEN SCHOLARSHIPS.

There are sixty Open Scholarships, which provide free musical education. These Scholarships are open to all classes of His Majesty's subjects, and are obtainable by competitive examination only.

Vacancies in these Scholarships are announced about November in each year, and public notice thereof is given by advertisement and otherwise. A preliminary Examination is held in various local centres in the January following, with the view of testing the Candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Examination which is held at the College in the following February, except that any Candidate who has been named as "*Proxime*" at any previous competition will be allowed to compete in the same department at any subsequent Final Examination if still within the prescribed age limits, without attending the Preliminary Examination.

Candidates are eligible between the following ages, reckoned on the 1st of January of the year in which the Final Examination takes place:—

COMPOSITION, Males and Females between 13 and 21.
PIANOFORTE, Males between 13 & 18, Females between 13 & 19.
ORGAN, Males between 13 and 19, Females between 13 and 20.
HARP, Males between 13 and 18, Females between 13 and 19.
VIOLIN and VIOLA, Males and Females between 13 and 18.
VIOLONCELLO, Males and Females between 13 and 20.
DOUBLE BASS, Males between 13 and 24.
WIND INSTRUMENTS, Males between 17 and 24.
SINGING, Males between 18 & 24, Females between 17 & 22.

Candidates cannot enter for more than one subject.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

Should there be no election to a Scholarship in any one

or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant. Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The new Scholars commence their studies in the Midsummer Term following their election.

The Free Open Scholarships include the following:—

The Courtenay Scholarship,
founded by the late Miss Courtenay, in memory of her brother, Frank Courtenay, Esq.;

The Wilson Scholarship,
founded by the late Sir Erasmus Wilson, F.R.S., F.R.C.S.;

The Morley Scholarship,

The Elizabeth Pringle Memorial Scholarship,
founded by The Dowager Lady Harvey, of South Hampstead, in memory of her mother, Lady Elizabeth Pringle;

each of which provides a sum not exceeding fifty guineas per annum towards maintenance during the College terms;

The Lord Charles Bruce Scholarship,
founded by the late Lady Charles Bruce in memory of her husband the Right Hon. Lord Charles Bruce,

which provides a sum not exceeding forty pounds per annum towards maintenance;

The Dove Scholarship,

founded by the late Mrs. Laura S. Clark; and

The Elliot Galer Scholarship,
founded by the late Elliot J. N. Galer, Esq., of Ansty Frith, near Leicester, for Male Singers,

each of which provides free musical education only at the College.

No special examination is held with respect to the above nine Scholarships bearing particular names. Vacancies occurring among them are, on the recommendation of the Director and Board of Professors, filled up by the Council from the holders of ordinary Open Scholarships who have shown distinction.

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

These Scholarships are founded by the gift of such a sum of money as shall when invested produce an annual income sufficient to provide either musical education, or musical education and a sum not exceeding fifty guineas per annum towards maintenance during the College terms. They are obtainable by competition only, of which due notice is given as vacancies arise. They may bear such name as the donor desires, and be confined to natives of a locality, or be otherwise restricted at the wish of the donor, subject to the approval of the Council.

The age limits of Candidates for these Scholarships are (except in any case specially mentioned under the heading of the particular Scholarship) the same as those for the Free Open Scholarships (page 15), and are reckoned as on the 1st of January of the year in which the Final Examination takes place if such Examination is held in the first six months of the year; and as on the 1st of July of such year if such Examination is held in the last six months thereof.

A Preliminary Examination is held in the locality but the Final Examination takes place at the College. There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

In the case of Colonial Scholarships the Examination held in the locality is Final, and no fee is required from Candidates attending such Examination.

These Scholarships are as a rule tenable for a period of three years. In any case in which an extension of tenure is granted to an existing Scholar, persons who would have been within the prescribed age limits if the Scholarship had been determined at the expiration of the three years' tenure will be admitted to compete when the Examination is actually held.

The following eleven Close or Local Scholarships have been founded. These (with the exception of the Bristol Scholarship) provide a sum not exceeding fifty guineas per annum towards maintenance during the College Terms, as well as free musical education:—

THE PATRON'S FUND (so named with the approval and sanction of HIS LATE MAJESTY KING EDWARD VII., then Patron of the Royal College of Music), was founded in 1903 by Mr. S. Ernest Palmer (also the donor of the Berkshire Scholarship of £3,000 in 1902), who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the benefit of the fund, though primarily for past and present Pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

THE PATRON'S FUND (so named with the approval and sanction of HIS LATE MAJESTY KING EDWARD VII., then Patron of the Royal College of Music), was founded in 1903 by Mr. S. Ernest Palmer (also the donor of the Berkshire Scholarship of £3,000 in 1902), who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the benefit of the fund, though primarily for past and present Pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

THE ROYAL COLLEGE OF MUSIC.

A Syllabus of the College is forwarded herewith, which contains full information as to the scheme of study, fees, &c., also a slip giving the dates of commencement of the Terms and Half-terms, and a Form of Application for Admission to be filled up and forwarded to the Registrar together with the Entrance Examination fee (£2 2s.), at any time (if possible not less than one week) before the commencement of the Term or Half-term.

There is no limit of age for paying Students except in the Junior Department.

The Entrance Examination is not a "qualifying" one, but is simply for the purpose of ascertaining how much the Student already knows.

The choice of Teachers rests absolutely with the Director, and is governed by (*a*) the vacancies existing in the various classes, (*b*) the degree of proficiency or promise shown by the Student at the Entrance Examination. Applicants for admission are, however, at liberty to mention any preference they may have in the matter, and their expressed wishes will receive consideration.

For the convenience of enquirers some addresses are kept at the College of persons who take College pupils as boarders, but the College authorities undertake no responsibility in the matter, and the pupils or their friends must make their own enquiries and arrangements.

FRANK POWNALL, *Registrar.*

N.B.—Special attention is called to the specimen Rudiments Paper given in the Syllabus and to the rule that pupils are not allowed to take a "second study" until they have passed the lower grade in "Rudiments." Intending applicants for admission are recommended to procure and study Davenport's "Elements of Music" (Longmans, Green & Co., 39, Paternoster Row, London), price 1/-

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His late Majesty King Edward VII. (then Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His late Majesty King Edward VII. (then Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000,

on a site granted by the Royal Commissioners for the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His late Majesty King Edward VII. (then Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows :— The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10, or contributors at one time of £50 or upwards, or its equivalent.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of :—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—

Midsummer Term, beginning about the 5th of May.
Christmas Term, beginning about the 27th of September.
Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.) Students are not admitted for a shorter period than one year, viz., three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects. Admission can take place at the beginning of a term, or at a half term.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars and Exhibitioners who have been at the College for that period, and whose Scholarships and Exhibitions have expired, may, with the approval of the Director, continue at the College for the special cultivation of their Principal Study

at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students leaving on the completion of three terms are required to give one month's notice beforehand.

*SCHOLARS.

Scholarships may be created from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) **Free Open Scholarships.**
(2.) **Free Close or Local Scholarships.**

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship ; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council. The College does not provide for the control of any Scholar during the vacations.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

(1.) FREE OPEN SCHOLARSHIPS.

There are sixty Open Scholarships, which provide free musical education. These Scholarships are open to all classes of His Majesty's subjects, and are obtainable by competitive examination only.

Vacancies in these Scholarships are announced about November in each year, and public notice thereof is given by advertisement and otherwise. A preliminary Examination is held in various local centres in the January following, with the view of testing the Candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Examination which is held at the College in the following February, except that any Candidate who has been named as "*Proxime*" at any previous competition will be allowed to compete in the same department at any subsequent Final Examination if still within the prescribed age limits, without attending the Preliminary Examination.

Candidates are eligible between the following ages, reckoned on the 1st of January of the year in which the Final Examination takes place :—

COMPOSITION, Males and Females between 13 and 21.
PIANOFORTE, Males between 13 & 18, Females between 13 & 19.
ORGAN, Males between 13 and 19, Females between 13 and 20.
HARP, Males between 13 and 18, Females between 13 and 19.

Candidates cannot enter for more than one subject.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

Should there be no election to a Scholarship in any one

or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant. Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The new Scholars commence their studies in the Midsummer Term following their election.

The Free Open Scholarships include the following:—

THE PATRON'S FUND (so named with the approval and sanction of HIS LATE MAJESTY KING EDWARD VII., then Patron of the Royal College of Music), was founded in 1903 by Mr. S. Ernest Palmer (also the donor of the Berkshire Scholarship of £3,000 in 1902), who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the benefit of the fund, though primarily for past and present Pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

The Entrance Examination is not a "qualifying" one, but is simply for the purpose of ascertaining how much the Student already knows.

Applicants for admission are, however, at liberty to mention any preference they may have in the matter, and their expressed wishes will receive consideration.

For the convenience of enquirers some addresses are kept at the College of persons who take College pupils as boarders, but the College authorities undertake no responsibility in the matter, and the pupils or their friends must make their own enquiries and arrangements.

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His late Majesty King Edward VII. (then Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His late Majesty King Edward VII. (then Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000,

on a site granted by the Royal Commissioners for the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His late Majesty King Edward VII. (then Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows :— The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10, or contributors at one time of £50 or upwards, or its equivalent.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of :—

STUDENTS. (See page 10.)
SCHOLARS. (See page 14.)
EXHIBITIONERS. (See page 20.)

THE COLLEGE YEAR.

The year consists of three Terms, as follows:—

Midsummer Term, beginning about the 5th of May.
Christmas Term, beginning about the 27th of September.
Easter Term, beginning about the 6th of January.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.) Students are not admitted for a shorter period than one year, viz., three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects. Admission can take place at the beginning of a term, or at a half term.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars and Exhibitioners who have been at the College for that period, and whose Scholarships and Exhibitions have expired, may, with the approval of the Director, continue at the College for the special cultivation of their Principal Study

at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students leaving on the completion of three terms are required to give one month's notice beforehand.

*SCHOLARS.

Scholarships may be created from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) **Free Open Scholarships.**
(2.) **Free Close or Local Scholarships.**

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship ; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council. The College does not provide for the control of any Scholar during the vacations.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

(1.) FREE OPEN SCHOLARSHIPS.

There are sixty Open Scholarships, which provide free musical education. These Scholarships are open to all classes of His Majesty's subjects, and are obtainable by competitive examination only.

Vacancies in these Scholarships are announced about November in each year, and public notice thereof is given by advertisement and otherwise. A preliminary Examination is held in various local centres in the January following, with the view of testing the Candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Examination which is held at the College in the following February, except that any Candidate who has been named as "*Proxime*" at any previous competition will be allowed to compete in the same department at any subsequent Final Examination if still within the prescribed age limits, without attending the Preliminary Examination.

Candidates are eligible between the following ages, reckoned on the 1st of January of the year in which the Final Examination takes place:—

COMPOSITION, Males and Females between 13 and 21.
PIANOFORTE, Males between 13 & 18, Females between 13 & 19.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

Should there be no election to a Scholarship in any one

or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant. Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The new Scholars commence their studies in the Midsummer Term following their election.

THE PATRON'S FUND (so named with the approval and sanction of HIS LATE MAJESTY KING EDWARD VII., then Patron of the Royal College of Music), was founded in 1903 by Mr. S. Ernest Palmer (also the donor of the Berkshire Scholarship of £3,000 in 1902), who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance at concerts given for the purpose of new orchestral, choral, vocal, solo, and ensemble works of composers being British subjects under forty years of age.
2. The assistance of musical performers, being British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the benefit of the fund, though primarily for past and present Pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

THE ROYAL COLLEGE OF MUSIC.

A Syllabus of the College is forwarded herewith, which contains full information as to the scheme of study, fees, &c., also a slip giving the dates of commencement of the Terms and Half-terms, and a Form of Application for Admission to be filled up and forwarded to the Registrar together with the Entrance Examination fee (£2 2s.), at any time (if possible not less than one week) before the commencement of the Term or Half-term.

There is no limit of age for paying Students except in the Junior Department.

The Entrance Examination is not a "qualifying" one, but is simply for the purpose of ascertaining how much the Student already knows.

The choice of Teachers rests absolutely with the Director, and is governed by (*a*) the vacancies existing in the various classes, (*b*) the degree of proficiency or promise shown by the Student at the Entrance Examination. Applicants for admission are, however, at liberty to mention any preference they may have in the matter, and their expressed wishes will receive consideration.

For the convenience of enquirers some addresses are kept at the College of persons who take College pupils as boarders, but the College authorities undertake no responsibility in the matter, and the pupils or their friends must make their own enquiries and arrangements.

FRANK POWNALL, *Registrar.*

N.B.—Special attention is called to the specimen Rudiments Paper given in the Syllabus and to the rule that pupils are not allowed to take a "second study" until they have passed the lower grade in "Rudiments." Intending applicants for admission are recommended to procure and study Davenport's "Elements of Music" (Longmans, Green & Co., 39, Paternoster Row, London), price 1/-

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His late Majesty King Edward VII. (then Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

"First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;

"Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdom;

"Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE SITE OF THE COLLEGE.

The College was opened by His late Majesty King Edward VII. (then Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000,

on a site granted by the Royal Commissioners for the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His late Majesty King Edward VII. (then Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

*SCHOLARS.

Scholarships may be created from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) **Free Open Scholarships.**
(2.) **Free Close or Local Scholarships.**

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship ; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council. The College does not provide for the control of any Scholar during the vacations.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

(1.) FREE OPEN SCHOLARSHIPS.

There are sixty Open Scholarships, which provide free musical education. These Scholarships are open to all classes of His Majesty's subjects, and are obtainable by competitive examination only.

Vacancies in these Scholarships are announced about November in each year, and public notice thereof is given by advertisement and otherwise. A preliminary Examination is held in various local centres in the January following, with the view of testing the Candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Examination which is held at the College in the following February, except that any Candidate who has been named as "*Proxime*" at any previous competition will be allowed to compete in the same department at any subsequent Final Examination if still within the prescribed age limits, without attending the Preliminary Examination.

Candidates are eligible between the following ages, reckoned on the 1st of January of the year in which the Final Examination takes place:—

COMPOSITION, Males and Females between 13 and 21.
PIANOFORTE, Males between 13 & 18, Females between 13 & 19.
ORGAN, Males between 13 and 19, Females between 13 and 20.
HARP, Males between 13 and 18, Females between 13 and 19.
VIOLIN and VIOLA, Males and Females between 13 and 18.
VIOLONCELLO, Males and Females between 13 and 20.
DOUBLE BASS, Males between 13 and 24.
WIND INSTRUMENTS, Males between 17 and 24.
SINGING, Males between 18 & 24, Females between 17 & 22.

Candidates cannot enter for more than one subject.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

Should there be no election to a Scholarship in any one

or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The new Scholars commence their studies in the Midsummer Term following their election.

The Free Open Scholarships include the following:—

THE PATRON'S FUND (so named with the approval and sanction of HIS LATE MAJESTY KING EDWARD VII., then Patron of the Royal College of Music), was founded in 1903 by Mr. S. Ernest Palmer (also the donor of the Berkshire Scholarship of £3,000 in 1902), who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by £7.000), the income of which is devoted to the following purposes:—

1. The selection and performance of works by British composers.
2. The assistance of performers, who are British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the benefit of the fund, though primarily for past and present Pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

THE ROYAL COLLEGE OF MUSIC.

A Syllabus of the College is forwarded herewith, which contains full information as to the scheme of study, fees, &c., also a slip giving the dates of commencement of the Terms and Half-terms, and a Form of Application for Admission to be filled up and forwarded to the Registrar together with the Entrance Examination fee (£2 2s.), at any time (if possible not less than one week) before the commencement of the Term or Half-term.

There is no limit of age for paying Students except in the Junior Department.

The Entrance Examination is not a "qualifying" one, but is simply for the purpose of ascertaining how much the Student already knows.

The choice of Teachers rests absolutely with the Director, and is governed by (*a*) the vacancies existing in the various classes, (*b*) the degree of proficiency or promise shown by the Student at the Entrance Examination. Applicants for admission are, however, at liberty to mention any preference they may have in the matter, and their expressed wishes will receive consideration.

For the convenience of enquirers some addresses are kept at the College of persons who take College pupils as boarders, but the College authorities undertake no responsibility in the matter, and the pupils or their friends must make their own enquiries and arrangements.

FRANK POWNALL, *Registrar.*

N.B.—Special attention is called to the specimen Rudiments Paper given in the Syllabus and to the rule that pupils are not allowed to take a "second study" until they have passed the lower grade in "Rudiments." Intending applicants for admission are recommended to procure and study Davenport's "Elements of Music" (Longmans, Green & Co., 39, Paternoster Row, London), price 1/-

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His late Majesty King Edward VII. (then Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

> "First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;
>
> "Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdon;
>
> "Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE BUILDING.

The College was opened by His late Majesty King Edward VII. (then Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000, on a site granted by the Royal Commissioners for the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His late Majesty King Edward VII. (then Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

The Concert Hall.

The Concert Hall, which is situated in the rear of the main College Building, is capable of seating nearly 1000 persons.

The inaugural Concert, which took place on the 13th June, 1901, was attended by H.R.H. the late Duke of Cambridge on behalf of his late Majesty King Edward VII.

On the 27th May, 1902, a Concert was given in the new Hall in honour of the visit to the College of King George V. and Queen Mary (then Prince and Princess of Wales).

The organ and case were presented to the College by the Director, Sir Hubert Parry.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows:—The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10, or contributors at one time of £50 or upwards, or its equivalent.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of:—

Students (see p. 10). Scholars (see p. 14). Exhibitioners (see p. 20).

THE COLLEGE TERMS.

There are three Terms in the year :—

Easter Term, beginning about the 6th of January.
Midsummer Term, beginning about the 5th of May.
Christmas Term, beginning about the 25th of September.

Students can be admitted at the beginning of a term, or at a half term.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.) Students are not admitted for a shorter period than one year, viz., three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars and Exhibitioners who have been at the College for that period, and whose Scholarships and Exhibitions have expired, may, with the approval of the Director, continue at the College for the special cultivation of their Principal Study

at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students leaving on the completion of three terms are required to give one month's notice beforehand.

*SCHOLARS.

Scholarships may be created from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) **Free Open Scholarships.**
(2.) **Free Close or Local Scholarships.**

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship ; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council. The College does not provide for the control of any Scholar during the vacations.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

(1.) FREE OPEN SCHOLARSHIPS.

There are sixty Open Scholarships, which provide free musical education. These Scholarships are open to all classes of His Majesty's subjects, and are obtainable by competitive examination only.

Vacancies in these Scholarships are announced about November in each year, and public notice thereof is given by advertisement and otherwise. A preliminary Examination is held in various local centres in the January following, with the view of testing the Candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Examination which is held at the College in the following February, except that any Candidate who has been named as "*Proxime*" at any previous competition will be allowed to compete in the same department at any subsequent Final Examination if still within the prescribed age limits, without attending the Preliminary Examination.

Candidates are eligible between the following ages, reckoned on the 1st of January of the year in which the Final Examination takes place:—

Composition, Males and Females between 13 and 21.
Pianoforte, Males between 13 & 18, Females between 13 & 19.
Organ, Males between 13 and 19, Females between 13 and 20.
Harp, Males between 13 and 18, Females between 13 and 19.
Violin and Viola, Males and Females between 13 and 18.
Violoncello, Males and Females between 13 and 20.
Double Bass, Males between 13 and 24.
Wind Instruments, Males between 17 and 24.
Singing, Males between 18 & 24, Females between 17 & 22.

Candidates cannot enter for more than one subject.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

Should there be no election to a Scholarship in any one

or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The new Scholars commence their studies in the Midsummer Term following their election.

The Free Open Scholarships include the following:—

The Courtenay Scholarship,

Vacancies occurring among them are, on the recommendation of the Director and Board of Professors, filled up by the Council from the holders of ordinary Open Scholarships who have shown distinction.

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

These Scholarships are founded by the gift of such a sum of money as shall when invested produce an annual income sufficient to provide either musical education, or musical education and a sum not exceeding fifty guineas per annum towards maintenance during the College terms. They are obtainable by competition only, of which due notice is given as vacancies arise. They may bear such name as the donor desires, and be confined to natives of a locality, or be otherwise restricted at the wish of the donor, subject to the approval of the Council.

The age limits of Candidates for these Scholarships are (except in any case specially mentioned under the heading of the particular Scholarship) the same as those for the Free Open Scholarships (page 15), and are reckoned as on the 1st of January of the year in which the Final Examination takes place if such Examination is held in the first six months of the year; and as on the 1st of July of such year if such Examination is held in the last six months thereof.

A Preliminary Examination is held in the locality but the Final Examination takes place at the College. There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

In the case of Colonial Scholarships the Examination held in the locality is Final, and no fee is required from Candidates attending such Examination.

These Scholarships are as a rule tenable for a period of three years, or for a shorter period at the discretion of the Council. In any case in which an extension of tenure is granted to an existing Scholar, persons who would have been within the prescribed age limits if the Scholarship had been determined at the expiration of the three years' tenure will be admitted to compete when the Examination is actually held.

THE PATRON'S FUND (so named with the approval and sanction of HIS LATE MAJESTY KING EDWARD VII., then Patron of the Royal College of Music), was founded in 1903 by Mr. S. Ernest Palmer (also the donor of the Berkshire Scholarship of £3,000 in 1902), who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance of works by British composers.
2. The assistance of performers, who are British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the benefit of the fund, though primarily for past and present Pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.

The choice of Teachers rests absolutely with the Director, and is governed by (*a*) the vacancies existing in the various classes, (*b*) the degree of proficiency or promise shown by the Student at the Entrance Examination. Applicants for admission are, however, at liberty to mention any preference they may have in the matter, and their expressed wishes will receive consideration.

For the convenience of enquirers some addresses are kept at the College of persons who take College pupils as boarders, but the College authorities undertake no responsibility in the matter, and the pupils or their friends must make their own enquiries and arrangements.

FRANK POWNALL, *Registrar.*

N.B.—Special attention is called to the specimen Rudiments Paper given in the Syllabus and to the rule that pupils are not allowed to take a "second study" until they have passed the lower grade in "Rudiments." Intending applicants for admission are recommended to procure and study Davenport's "Elements of Music" (Longmans, Green & Co., 39, Paternoster Row, London), price 1/-

THE ROYAL COLLEGE OF MUSIC was founded at the instance and through the exertions of His late Majesty King Edward VII. (then Prince of Wales), its first President, and was incorporated by Royal Charter on May 23rd, 1883.

THE OBJECTS OF THE COLLEGE.

The objects of the College are, in the words of the Charter—

> "First, the advancement of the Art of Music by means of a central working and examining body charged with the duty of providing musical instruction of the highest class, and of rewarding with academical degrees and certificates of proficiency and otherwise persons whether educated or not at the College, who on examination may prove themselves worthy of such distinctions and evidences of attainment;
>
> "Secondly, the promotion and supervision of such musical instruction in schools and elsewhere as may be thought most conducive to the cultivation and dissemination of the Art of Music in the United Kingdon;
>
> "Lastly, generally the encouragement and promotion of the cultivation of Music as an Art throughout our dominions."

THE BUILDING.

The College was opened by His late Majesty King Edward VII. (then Prince of Wales) on Monday, May 7, 1883. The Building originally occupied by the College (situated on the west side of the Royal Albert Hall) was presented by the late Sir C. J. Freake, Bart. This building was in the year 1903 surrendered by the College to the ground landlords, the Royal Commissioners for the Exhibition of 1851, and is now occupied by the Royal College of Organists.

The new College in Prince Consort Road (adjacent to the Royal Albert Hall) was erected through the munificence of the late Mr. Samson Fox, M.I.C.E., at a cost of £48,000, on a site granted by the Royal Commissioners for the Exhibition of 1851, and held from them at a nominal ground rent for 999 years.

This Building was opened with state ceremony by His late Majesty King Edward VII. (then Prince of Wales), on behalf of Her late Majesty Queen Victoria, on Wednesday, May 2nd, 1894.

The Concert Hall.

The Concert Hall, which is situated in the rear of the main College Building, is capable of seating nearly 1000 persons.

The inaugural Concert, which took place on the 13th June, 1901, was attended by H.R.H. the late Duke of Cambridge on behalf of his late Majesty King Edward VII.

On the 27th May, 1902, a Concert was given in the new Hall in honour of the visit to the College of King George V. and Queen Mary (then Prince and Princess of Wales).

The organ and case were presented to the College by the Director, Sir Hubert Parry.

THE CONSTITUTION OF THE COLLEGE.

The Corporation of the College is constituted as follows:—The President, the Vice-Presidents, the Council, the Director and Board of Professors, the Graduates, and the Donors, the latter being either Annual Subscribers of at least £10, or contributors at one time of £50 or upwards, or its equivalent.

A General Meeting of the Corporation is held once in each year, at which the Council present their Annual Report on the condition of the College, with a Financial Statement for the year, from May 1 to April 30.

THE GOVERNING BODY.

The Governing Body consists of the President and the Council, who delegate to an Executive and a Finance Committee respectively the duties of the general management of the College and the investment and control of its funds.

THE TEACHING BODY.

The instruction of the Pupils is conducted, under the superintendence of the Director and Board of Professors, by the Members of the Board and a Teaching Staff, which is selected by the Director, subject to Regulations made by the Council and to their confirmation.

PUPILS.

Pupils of both sexes are admitted to the College, and they consist of:—

Students (see p. 10). Scholars (see p. 14). Exhibitioners (see p. 20).

THE COLLEGE TERMS.

There are three Terms in the year :—

Easter Term, beginning about the 6th of January.
Midsummer Term, beginning about the 5th of May.
Christmas Term, beginning about the 25th of September.

Students can be admitted at the beginning of a term, or at a half term.

Notice of the precise date of the beginning and ending of each Term, of the vacations, of extra holidays, if any, and of the daily hours of instruction, will be given from time to time.

STUDENTS.

Students before entering the College are required to fill up the official Form of Application issued for that purpose.

Students are admitted on payment of the Entrance Examination Fee and the Tuition Fee without limitation of age. They are examined on entering the College in their Principal and Second Studies and the Rudiments of Music, the object of the Examination being to ascertain their qualifications and the degree of their proficiency. (See specimen paper on page 28.) Students are not admitted for a shorter period than one year, viz., three terms, and are required to take up the regular course of instruction, as lessons are not given in single subjects.

A Student, before admission to the College, will be required to give such references as shall satisfy the Director; and an undertaking must be entered into by him or her, or on his or her behalf, that the Student will obey the rules, and will remain one year (3 terms) at least in the College, and will pay the fees as they become due (see page 12).

Students who have completed three years (nine terms) of general study in the Senior Department, and Scholars and Exhibitioners who have been at the College for that period, and whose Scholarships and Exhibitions have expired, may, with the approval of the Director, continue at the College for the special cultivation of their Principal Study

at a reduced Fee (see page 13). This reduction can only take effect as from the commencement of a term and not at a half-term.

Students leaving on the completion of three terms are required to give one month's notice beforehand.

*SCHOLARS.

Scholarships may be created from time to time, by the College, or by Corporations, or by individuals, under such conditions as the Council may determine.

Scholarships are of two kinds—

(1.) **Free Open Scholarships.**
(2.) **Free Close or Local Scholarships.**

Scholarships are gained by competition only. They entitle the holder to a thorough and systematic education in theoretical and practical music at the College, and are as a rule tenable for a period of three years. But a scholarship may be awarded for a shorter period or terminated at any time, should the Council consider the health, progress, or conduct of the Scholar to be unsatisfactory, and the Council shall not be required to give any reason for terminating a Scholarship ; or the period may be extended should the ability and circumstances of the Scholar be considered by the Council to warrant such extension.

Before entering the College each Scholar is required to sign an Agreement binding him or her to obey the rules of the College, and to remain for the entire term of the Scholarship except when prevented by illness or some other exceptional or unavoidable cause. Such Agreement must be countersigned by the parent or guardian of the Scholar or some other person willing to undertake the responsibility on his or her behalf.

Each Scholar must also present a testimonial to good character, and satisfy the Medical Officer of the College as to his or her state of health.

A person elected to a Scholarship or Exhibition, who declines to accept the emoluments thereof by reason of being able to pay for his or her education or education and maintenance, may bear the title of Honorary Scholar or Honorary Exhibitioner, or such other title as may be determined by the Council. The College does not provide for the control of any Scholar during the vacations.

* The holders of the Exhibitions founded by the Savage Club and the Associated Board respectively (*see page* 21) are, during their tenure of such Exhibitions, subject to the same rules as Scholars.

(1.) FREE OPEN SCHOLARSHIPS.

There are sixty Open Scholarships, which provide free musical education. These Scholarships are open to all classes of His Majesty's subjects, and are obtainable by competitive examination only.

Vacancies in these Scholarships are announced about November in each year, and public notice thereof is given by advertisement and otherwise. A preliminary Examination is held in various local centres in the January following, with the view of testing the Candidates, and selecting those whose qualifications are such as to give a reasonable prospect of success. Those Candidates only who may be selected at such Preliminary Examination will be allowed to attend the Final Examination which is held at the College in the following February, except that any Candidate who has been named as "*Proxime*" at any previous competition will be allowed to compete in the same department at any subsequent Final Examination if still within the prescribed age limits, without attending the Preliminary Examination.

Candidates are eligible between the following ages, reckoned on the 1st of January of the year in which the Final Examination takes place:—

Composition, Males and Females between 13 and 21.
Pianoforte, Males between 13 & 18, Females between 13 & 19.
Organ, Males between 13 and 19, Females between 13 and 20.
Harp, Males between 13 and 18, Females between 13 and 19.
Violin and Viola, Males and Females between 13 and 18.
Violoncello, Males and Females between 13 and 20.
Double Bass, Males between 13 and 24.
Wind Instruments, Males between 17 and 24.
Singing, Males between 18 & 24, Females between 17 & 22.
Candidates cannot enter for more than one subject.

There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

Should there be no election to a Scholarship in any one

or more of the subjects offered for competition, for lack of Candidates being found of a sufficiently high standard therein, the Council may, on the recommendation of the Director and Board of Professors, award the vacant Scholarship to a Candidate in such other subject as may be decided.

Any Scholarship, the election to which is not confirmed by the Council, whether on account of the physical disqualification of the Candidate or from any other cause, will be dealt with in like manner.

In some cases grants towards maintenance are added, but these cannot be decided until after the election of the Scholars has taken place, and enquiry has been made into the circumstances of the Scholar applying for such grant Applications for such grants are not entertained unless clear proof be offered that monetary help is indispensable.

The new Scholars commence their studies in the Midsummer Term following their election.

The Free Open Scholarships include the following:—

The Courtenay Scholarship,

(2.) FREE CLOSE OR LOCAL SCHOLARSHIPS.

These Scholarships are founded by the gift of such a sum of money as shall when invested produce an annual income sufficient to provide either musical education, or musical education and a sum not exceeding fifty guineas per annum towards maintenance during the College terms. They are obtainable by competition only, of which due notice is given as vacancies arise. They may bear such name as the donor desires, and be confined to natives of a locality, or be otherwise restricted at the wish of the donor, subject to the approval of the Council.

The age limits of Candidates for these Scholarships are (except in any case specially mentioned under the heading of the particular Scholarship) the same as those for the Free Open Scholarships (page 15), and are reckoned as on the 1st of January of the year in which the Final Examination takes place if such Examination is held in the first six months of the year; and as on the 1st of July of such year if such Examination is held in the last six months thereof.

A Preliminary Examination is held in the locality but the Final Examination takes place at the College. There is no fee payable by Candidates attending the Preliminary Examination, but a fee of One Guinea must be paid by every Candidate who attends the Final Examination.

In the case of Colonial Scholarships the Examination held in the locality is Final, and no fee is required from Candidates attending such Examination.

These Scholarships are as a rule tenable for a period of three years, or for a shorter period at the discretion of the Council. In any case in which an extension of tenure is granted to an existing Scholar, persons who would have been within the prescribed age limits if the Scholarship had been determined at the expiration of the three years' tenure will be admitted to compete when the Examination is actually held.

THE PATRON'S FUND (so named with the approval and sanction of HIS LATE MAJESTY KING EDWARD VII., then Patron of the Royal College of Music), was founded in 1903 by Mr. S. Ernest Palmer (also the donor of the Berkshire Scholarship of £3,000 in 1902), who handed to the Council of the College the sum of £20,000 (supplemented in 1906 by £7,000), the income of which is devoted to the following purposes:—

1. The selection and performance of works by British composers.
2. The assistance of performers, who are British subjects, in procuring a hearing in public.
3. The provision of travelling scholarships and special grants to students; also the publication of works.

It being the wish both of the Council of the Royal College of Music and of the Founder that the influence of the fund should be far-reaching, and in a sense national, a clause was inserted in the deed of gift to the effect that the benefit of the fund, though primarily for past and present Pupils of the Royal College of Music, could be extended to any other British subjects, whether educated at any of the musical schools or privately.
